PART II. PERSONAL INFORMATION

NOTE: THIS QUESTION MUST BE ANSWERED FOR YOUR APPLICATION TO BE PROCESSED

Have you been convicted of a felony since you were first certified? Yes No

If yes, you will need to submit the Felony Information Checklist, including copies of all available supporting documentation, specifically explaining the date of the felony, nature of the felony, a personal statement describing the felony and events that took place, and any available court documents. This form, along with the Candidate Handbook containing AMT's Policy, can be found in the Resource Center.

AMT may determine that certain types of felony convictions in an applicant's background may preclude an applicant from being recertified. (Note: even if an applicant with one or more felony convictions in his or her record is permitted to recertify, some healthcare employers may choose not to hire an individual who has been convicted of a felony, even if he or she is certified. Certification is not a guarantee of employment).
