

AMT MEDICAL LABORATORY TECHNICIAN (MLT) CERTIFICATION SELF-ASSESSMENT

This self-assessment tool can be used to guide you through AMT’s Medical Assistant (MA) eligibility requirements. Please use this worksheet as a final check **BEFORE** submitting an application to American Medical Technologist. **DO NOT** submit this worksheet with your application. **The completion of this worksheet does NOT guarantee qualification.** This form is for your use only.

EDUCATION

- Do you possess an associate degree in medical laboratory technology (or equivalent) from a program or institution accredited by a recognized regional or national accreditation agency? For **US applicants**, the accrediting agency **MUST** be US-based. **International applicants** MUST have their credentials evaluated by an evaluation agency listed on the AMT website. The US equivalency summary MUST indicate that your education is **EQUIVALENT** to an associate degree or higher. If not, you must qualify under a different route.
- Have you completed at least two (2) years (60 semester hours) of courses in an institution accredited by a recognized regional or national accreditation agency, **AND** have you completed at least 25 semester hours of coursework related to the clinical laboratory sciences (such as chemical or biological science, mathematics and/or computer science (**no more than six (6) semester hours of mathematics/computer science may be used toward the 25 hour requirement**)?

Note: A. one quarter hour = 2/3 semester hour B. one semester hour = 15 clock hours C. one quarter hour = 10 clock hours

List below the courses that qualify for the 25 semester hours:

Course: _____ Semester hours: _____

Course: _____ Semester hours: _____

Course: _____ Semester hours: _____

Course: _____ Semester hours: _____

Course: _____ Semester hours: _____

Course: _____ Semester hours: _____

Course: _____ Semester hours: _____

Course: _____ Semester hours: _____

Course: _____ Semester hours: _____

Course: _____ Semester hours: _____

LABORATORY EXPERIENCE

- Have you graduated from your program within in the last 5 years?
- If you graduated from your program longer than 5 years ago, do you have **six (6) months of full time (1040 TOTAL HOURS OR EQUIVALENT)** approved clinical laboratory experience within the last 5 years. The information below will help determine if your clinical experience meets the above criteria:

1. Dates of employment:

Employer _____ From _____ To _____ Hours _____

Employer _____ From _____ To _____ Hours _____

Employer _____ From _____ To _____ Hours _____

2. Is the lab in which you gained clinical laboratory experience accredited? Yes ___ No ___

If yes, by which agency? _____

3. Does your clinical experience include **the equivalent of** six (6) months of testing on human samples?
Yes _____ No _____

4. What clinical laboratory techniques, methodologies and instruments did you use while gaining the one year of clinical laboratory experience: _____

5. List the tests that you performed in each category.

- Blood Banking _____

- Microbiology _____

- Immunology _____

- Hematology _____

- Clinical Microscopy _____

- Chemistry _____
