The American Kidney Fund is proud to partner with the American Medical Technologists for a third year in a row. Join us!

5 ways AMT State Society Leaders and Members can get involved:

1. Fundraise for AKF
2. Become a Kidney Health Coach
3. Volunteer at an AKF screening event
4. Volunteer with a local dialysis center
5. Share AKF mission, messages and materials with Your Employer

The staff at the American Kidney Fund will work with members and leaders throughout 2017 to provide support and information needed to increase leaders’ and members’ awareness and understanding of kidney disease and the mission of AKF.

RAISE MONEY. YOUR WAY.

Want to raise money off line with a small event or at your AMT State Society meeting? Spring and Fall AMT meetings present a great chance for raising money and it can be fun.

Below are few fun examples of simple ways to raise money before, at, during or after your society meetings. These ideas can also work as community events and in the workplace.

- **Prize Drawing**
  Collect donated items and host prize drawing, selling tickets for a chance to win.

- **Bake Sale**
  Sell baked goods during breaks.

- **Swap Meet**
  Have others bring items needing a new home and charge a small fee to attend and swap items.

- **Exercise Session**
  Host an exercise session during a break and charge a small fee to attend.

- **Craft Fair**
  Have others bring handicrafts to sell and host a small craft fair.

- **Share Your Spare Change**
  Place a mason jar at registration and collect spare change from those checking in.
