**Have Your Students Schedule Their Exam**

- ▶ Direct students to [bit.ly/AMTExam](https://bit.ly/AMTExam) to schedule their exam at a Pearson VUE testing center

5

**Track Student Progress with Powerful Reporting**

AMT provides easy access to an array of reporting tools when you log into your My AMT Portal ([americanmedtech.org/Login](https://americanmedtech.org/Login)) as an authorized school representative.

- ▶ Monitor student application status, practice exam results and review course registration with AMT's detailed reporting tools
- ▶ Use practice exam results to identify student knowledge gaps and target improvements in your curriculum
- ▶ See pass/fail rates and compare them to national benchmarks

6

**Send your Students' Official Transcripts to AMT after Graduation**

This final step in the process ensures your students complete the certification requirements and officially launch their careers.

- ▶ Submit transcripts to [documents@americanmedtech.org](mailto:documents@americanmedtech.org)
