

## **ANNOUNCING THE FIRST FLSSAMT HYBRID EDUCATIONAL & BUSINESS MEETING! MAY 4, 2024**

Wish you could attend the Spring Meeting, but can't get away?  
Now you can attend remotely!

**ONLINE REGISTRATION WILL BE AVAILABLE ON [americanmedtech.org](http://americanmedtech.org)**

When registering simply mark REMOTE and check the desired presentations. An attendee packet will be emailed prior to the meeting including the link(s) to the meeting.

One room will be broadcast via GoTo (previously GoToMeeting) and the other through Teams. Both programs are free for download and personal use. Attendees will be able to log into any presentation using the appropriate link.

Attendance will be recorded. The same requirements apply as in-person attendance. Members must be logged in on time and stay logged into the presentation until the end to receive credit.

As always, be sure to record your attendance in AMTRAX!
